**AMEND Senate Bill No. 1489\***

**House Bill No. 1230**

By deleting subsection (b)(4) of the amendatory language of Section 1 and by substituting instead the following language:

(b)(4) Installing a protective device at the Lanetown Road over-pass on Interstate Highway 75 in McMinn County for the purpose of studying the effectiveness of such device.

AND FURTHER AMEND By adding the following new, appropriately designated section immediately preceding the effective date section:

SECTION \_\_. This act shall become operative only if McMinn County, Tennessee, remits the estimated cost of this pilot project, including, but not limited to, the erection of the protective device pursuant to § 54-1-132(b)(4), to the department of transportation within one (1) year of the effective date of this act. McMinn County shall make such payment prior to any expenditure by the state. The department shall return any unused portion of the estimated cost to McMinn County within thirty (30) days of the completion of the pilot project. If the actual cost exceeds the estimated cost, McMinn County shall remit an amount equal to the difference in such costs to the department within thirty (30) days of receiving an itemized invoice of the actual cost from the department.
